ABOUT ME

After 7 years of working with data and cross-functional teams, I have come to believe that data enables better decisions, while collaboration is what transforms those decisions into meaningful business outcomes. This principle has become the foundation of how I approach my work.

EDUCATION

2015 - 2019

FOREIGN TRADE UNIVERSITY

Bachelor, Business Administration
GPA: 3.24/4 (Very Good)

EXPERIENCES

2021 - Present

Data Analytics Team
Lead

BASE ENTERPRISE JOINT STOCK COMPANY

- **Partner with executive leadership** to support strategic decision-making through executive reporting, business analysis, and data-driven recommendations across key value chain, including Marketing, Sales, Customer Success, and Product.
- **Coordinate cross-functional** initiatives across Sales, Customer Success, Product, Operations, and Engineering to ensure alignment and execution.
- Design and maintain enterprise data models and reporting systems processing over 60 million records annually.
- Lead the Data Analytics team, overseeing resource planning, project delivery, quality assurance, and team development.
- Advised and implemented data and reporting solutions for Base.vn clients across Advertising, Retail, Valuation, F&B, and other industries.
